

### **We will resume in-person gatherings Sunday, June 14**

We are excited to resume Sunday gatherings, but understand that some are not yet ready to return. We encourage each individual and family to prayerfully consider what is best for your health and safety during this time. We will continue to offer online resources for those who do not attend in person.

---

### **We will meet in our new church building!**

Our new space is located at 820 Wilson Drive in Ridgeland, next door to Shapley's Restaurant. Please be aware that renovations will be taking place over the next few months, so we will prevent access to certain areas of the building for the safety of those who attend.

---

### **Our gatherings will be smaller and simpler**

At this time, we are limiting each gathering to 50 people in keeping with our state's guidelines. We will meet for worship, but will not offer childcare. We will not offer coffee and donuts. Our plan is to enjoy a time of prayer, a sermon, and a safer form of communion.

---

### **Important health and safety measures**

In an effort to love and protect one another, we are asking all who attend to abide by the following protocols:

- Do not attend if you have any signs of sickness.
- Please wear a mask while in the building. Disposable masks will be provided for those who need one.
- Maintain a distance of at least 6 feet from others.
- Do not touch, hug, or shake hands with others.
- Sit together only in household units. We will have chairs separated to promote healthy distancing.
