

Activity: Fill in the letters that have dots in them below, and then write it in each blank above to complete the Bible verse. Double check your answer by looking up the verse in John 5:17

"BUT [JESUS] ANSWERED THEM, 'MY FATHER IS _____
 UNTIL NOW, AND I MYSELF AM _____'"

1. Think about the paralyzed man... His hope was in **MAN** to do the work to save him.

3. These people are hope-less. They trusted in the work of men or people, and it didn't help them at all!

4. Jesus entered into the world to do that impossible work FOR you! He's the only One with the **POWER** to truly heal, the only One who can truly save.

2. Now think about the leaders. Their hope was in **MAN**, too! They worked to obey all the man made rules to try to make themselves good enough for God.

...BUT WAIT, if we have no hope of Salvation by working our hardest, how can we get to Heaven?!!

SO...

5. Where is your hope? Are you trusting in **JESUS' WORK** on the cross to save you? If you are already a Christian, are you trusting in His continued work and grace in your life, or are you trying to be better all by yourself? Tired young soul, weary of trying to be good enough for God and for everybody else, come to Jesus, and ask Him to do the work for you!
